I would like to congratulate the citizens of the Union Territory of Jammu & Kashmir on the occasion of the 12th National Voters' Day. National Voters' Day is observed annually on 25th January across the country. The central theme of this year's celebration is "Making Elections Inclusive, Accessible and Participative".

The very foundation of a democracy lies in the representation of all the communities and an indispensable part of nation building starts with the inclusion of women voters, youth and PwDs in its electoral process and to uphold the sanctity of free and fair elections.

In a democracy in true spirit of universal adult suffrage, every vote matters, every vote counts and given this fundamental premise, equal and inclusive access is vital and in fact the lifeblood of a vibrant and functional Democracy.

I am pleased to know that more than 1.5 lac new voters have been enrolled in J&K during the continuous updation of electoral roll since the last Summary Revision.

I urge all remaining eligible citizens in the UT to enrol themselves in the voters list as and when the new revision of electoral roll is undertaken so as to exercise their franchise in a free, fair and ethical manner.

I compliment the J&K's Election Department for its sustained efforts and wish it success for future endeavours.
